

## Mama Jane Children's Home

Some of our earliest projects were at Mama Jane, located in the centre of Jinja town. Mama Jane is home to over 40 children age 3 and upwards. They thrive under the caring, compassionate and watchful eye of Agnes, who has seen hundreds of children pass through the doors since 1986 when she first took on the Mama Jane mantle. We have refurbished dormitories and built classrooms, a kitchen, a tailoring room and a clinic there and remain closely involved with this wonderful place.
