

Son Rise Baby Home and Children's Home

An inspirational place, started by Damali over 10 years ago, we have been supporting Son Rise from the outset. Orphaned and abandoned babies as young as a day old are loved, nurtured and cared for at the Babies Home. In 2018, the older children moved to a wonderfully spacious site in Kamuli and the new Son Rise Children's Home has a school right next door as well as access to plenty of land for farming. JET teachers, Sandra and Moses, normally visit the Babies Home twice a week and we have created a new programme of activities for them to follow with the little ones. Nurse Pauline is also often at Son Rise and is a great source of support to all the children and their carers.
